School Uniform Policy

Introduction

The governing body of Holy Family decided to re-launch the school uniform policy in June 2017 as part of the duty placed upon them to ensure that school policies promote good behaviour and discipline and strongly support the valuable role in contributing to the ethos of a school and setting an appropriate tone.

As part of the re-launch, the views of parents and pupils were taken into account along with the views of the staff members. The cost of additional items of clothing was carefully considered as the governors wish to ensure it is best value for money. The cost of the uniform was a high priority and therefore compulsory branded items have been kept to a minimum. Governors agree that any reasonable requests to vary this policy, in particular to meet the needs of any individual pupil to accommodate their religion or belief, ethnicity, disability or other special considerations will be supported. No child will be put at a particular disadvantage because of their gender, race, sexual orientation, religion, belief or gender reassignment.

Pupil Premium/ Free School Meals

Pupils who are in receipt of Pupil Premium or on Free School Meals are entitled to claim uniform bundles from school free of charge. If you are unsure whether you can claim please log on to:

Policy Review

This policy will be reviewed in the first year and then every 5 years to ensure it is still fit for purpose and to ensure that we are avoiding frequent uniform changes. Complaints and challenges about our school uniform will be resolved in accordance with the school's complaints policy. We would always consult and work closely with parents to arrive at mutually acceptable outcomes.

Uniform Policy Compliance

Given that governors will consider any reasonable request for flexibility, we expect all children to adhere to the policy. In the unlikely event of children not being compliant, the school behaviour policy will be used.

Donations & Lost Uniform

We encourage parents to donate uniform that is of no use and we strongly advise that all school uniform is named tagged. The school will frequently display lost property on a table top stall in the playground at the end of the school day.

Other Dress Code Rules

On health and safety grounds we do not allow children to wear jewellery, nail varnish or make-up in school. The exceptions to this rule are earring studs in pierced ears, watches and small objects of religious significance. We ask the children to remove these objects during P.E., to prevent them from causing injury. All long hair should be tied back during P.E. lessons. This policy does not allow children to have extreme haircuts, styles or accessories that could serve as a distraction to themselves or the other children.
