Long sharp pencils
Each lesson to start with warm up revising language of tall, small and tail, narrow, letters with sharp points, narrow curved tails
Top solid line
Bottom solid line
Broken lines
Lots of appropriate, specific praise
Use of dot for personal best

Language for peer assessment If this my 'g' I would be really proud of....
Dot for peer assessment
Model incorrect shapes
Model partial shapes to build
Use the lessons at the back but visit their specific pages for the language
Talk about three levels of writing, top is best e.g. for extended write, middle for exercise books which is a little quicker and notes where it is readable but can be thrown away
All staff to model the font and style
Having examples of titles etc in handwriting style not just typed
High profile handwriting on social media etc share with parents
