Dear Parents / Carers,

It has been wonderful to welcome all our families back to school over the last few days and I extend a very warm welcome to our new families. I know that you will all make each other feel very welcome.

September is a really important time for schools as children enter new year groups. At the start of the year, we spend a lot of time re-setting our expectations and routines so that everyone is clear about how they can meet their potential and support our school as it continues to go from strength to strength.

We have shared with the pupils our vision for our school:

"In our holy family, we all thrive socially, academically and spiritually to our fullest potential".

The children have also been working on understanding more about our updated promises. These match our Holy Family commitments:

- **We are committed to the highest quality education for all.**
- **We are committed to promoting an inclusive, loving family through the teachings of our Catholic faith.**
- **We are committed to safeguarding everyone in our family.**

I want to thank you for supporting our school expectations as we truly believe that, by working together, we can achieve our vision for all pupils. In particular, I would like to compliment the children on how ready they are for learning and for the great start with attendance and being on time. We know that they could not do this without your support.

If you would like to get more involved, we are looking for more volunteers to join our P.T.A. group to help raise money for an exciting playground project. Please speak to Mrs Mears or Mrs Wood for more information.

Kind regards,

Mrs Alexia Fox
